

Make your very own Sprout Spotter and follow along with The Let's Go Show!

MATERIALS:

- ✱ Safety-Scissors
- ✱ Tape
- ✱ Crayons or markers

INSTRUCTIONS:

1. With help from a grown-up, cut out the Sprout Spotter, the Spotter's cover, the Spotter's base and the destination icons. The blank boxes are for you to color your own destinations for your Spotter.

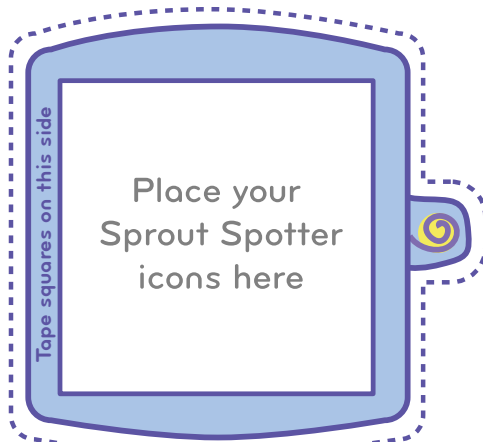

2. Tape the base to the middle of the band. Then choose a destination icon square, place it over the base and tape on the left-hand side. Repeat with more destination squares. Once you're done, put the Spotter cover on top and again tape on the left-hand side.

3. Fit band to child's wrist and tape ends together.

And there you have it! Your very own Sprout Spotter! Now you can play along with Miles and Banjo on The Let's Go Show. Come on, let's go, go, go!"
